CIRCULAR

In order to make our campus more "Eco-Friendly" by reducing air and noise pollution and to reduce the congestion of vehicles in the campus, it is decided to inform the students to use the bicycles. In the same line the faculty and staff members are requested to minimize the use of motorized vehicles and prefer the battery powered vehicles and encouraged to use vehicle pooling. Students and faculty are asked to park their two-wheeler parking, adjacent to the entrance. Heavy vehicles are not allowed and using horn is strictly prohibited in the college. Students, faculty and staff members are requested to co-operate.
