prepare these exams in a very patient and smart manner. Efficient time management is the key to success. The preparation requires the right approach along with the right study materials and strategy with strong dedication and hard work. He gave some important tips to the students.

- Planning is the first step towards your bright career.
- Create a realistic timetable.
- Work smart and give mock tests which may really help at later stages.
- Analyze yourself through assessing your strong and weak points.
- Schedule a particular time and make a limited strategy for every subject.
- You always be updated with current affairs.
- Go through the previous papers.
- Make comprehensive notes for final preparation.
- You don't need an overdose of information during the preparation time.
- Continuously evaluate yourself.

Another resource person Shri Vijaykumar gave tips to solve the tricky problems in a shortest time and smarter way.

Final year students and staff participated in this programme and students were motivated with tips for preparation for KAS and IAS exams.
