## Circular

Subject: To bring greater transparency in the admission process for first year graduation in the degree colleges of the State of Karnataka.

The following instructions have been prepared in accordance with the guidelines laid down by Karnataka Education Act and Supreme Court verdict and with the noble intention of bringing greater transparency in the admission process for first year graduation. All the government, aided private and aided minority institutions should strictly adhere to the instructions during the first-year graduation admission process for the academic year 2002-2003.

1. All the Colleges should ensure to display the number of seats available for the first year's graduation in their notice boards and websites before the admission process begins. The number of seats available combination wise as per the rooster should be displayed too. The combinations available in each stream should be specified. Prior permissions should be obtained from the respective universities before displaying streams and combinations available. Students should be admitted as per the guidelines/approval given by the respective university. Here is an example of the information that can be displayed on the notice board.

1. Combinations taught and the subjects available in each combination should be as per the syllabus prescribed by the university. Government First Grade College of the state should not offer any new combinations or subjects nor admit students without the permission of the government. Without the prior written approval of the Department, colleges should not offer medium wise classes in order to create workload for the additional faculties.
2. The enrolment of students for first degree classes should follow the schedule of the respective university. The Calendar of events for admission must be put up at the prominent places in the college for the attention of parents/students.
3. Applications for admission must be made available for students at least five days from the day of announcement of PUC exam Results. (Application must be numbered) Entry applications must be made available for at least four hours every day. The time at which applications will be issued should

be displayed on the notice board. If necessary, for the convenience of the students more counters should be opened for issuing the applications.
4. The filled applications for admissions must be taken after three days of the last date for issuing the applications. A separate counter must be opened to receive the completed applications from the students. This counter must remain open for at least four hours daily. Applications can be received from students from the very next day of issuing the applications.
5. Should keep a count of the number of applications issued each day. If applications can be computed while issuing the application necessary details can be stored At the end of the enrolment process, the total number of enrolments done for the course and combination should be sent to the Regional Director's Office in the first week July.
6. Students must receive an acknowledgement letter for accepting applications. Complete list of eligible students applying for admission to college for the First-degree classes shall be displayed combination wise in accordance with rule 14(11) of Karnataka Educational Act 1995 (The Karnataka Educational Institutions Classifications, Revelation and Prescription of Curricula Extra Rules 1995). A list of students who are not eligible for admission should also be displayed. After displaying these two lists, 5 days shall be allowed for filling any objections.

## Methods of distributing available seats for admissions :

5. a) All the admissions/seats available in Government Degree Colleges should be allotted based on merits as per the roster system.
b) According to Rule 12 (b), 20 per cent of the admissions/seats in the privately funded colleges shall be reserved for the institution. But a far as possible on should follow roster system during admission. The remaining 80 per cent of the admissions shall be made on the basis of merit only.
c) Fifty percent of the total available seats in colleges run by minority funded institutions are reserved for the institution to be allotted to students of their own community. The remaining 50 entries must be allocated on the basis of merit as per the roster system subsection 05 and 16 of regulation 14 . The two lists that are granted entries must be published separately. As per Rule 12(b) within the 20 per cent (institutional) allotted to privately funded colleges, colleges should ensure availability of $50 \%$ of the seats to students from their own community and rest to others. Even after the date mentioned in the calendar of events mentioned, colleges are allowed to admit students if the seats are still available. Admission to the first-degree classes permitted by the university shall enroll within the last date of enrolment.

## Roster Allocation:-

1. $50 \%$ of admissions in co-education institutions must be reserved for female students under Rule 14(6). In these female students again, roster system should be followed. If 50 per cent of the female students have not applied, those seats can be allocated to the male students as per the roster.
2. 05 per cent of the total available seats shall be reserved for the disabled as per section 39 of the Disability Act 1995.

3. Allocation of admissions to Scheduled Caste / Scheduled Tribes / Backward Classes / Class-1, 2A, 2B, $3 A, 3 B$, as per the rule $14(5)$ laid down by the Government. Colleges should also implement orders revised time to time by the government.
4. During admissions if applicants do not apply for various categories, those seats an be transfer to General Merit candidates. Applications from the reserved category for any reason shall not be transferred to the general category without exhausting them.

## Preparation of Merit Based Admission List:-

Admissions must be filled on a merit basis, including students who are subject to reservation. After merit list distribute the available seats on the above reservation system. The students of the respective tribes will be allocated on the basis of merit (admission based on the marks scored by the students in the PUC or the equivalent exams). The college shall publish the first list, the second list, the third list and additional lists if necessary, in accordance with subsection 11 and 12 A . The dates of publication of lists must have the following time frame.

After publishing the first list of selected students must be given three days to pay the fees. After the confirmation of how many students have paid fees, the second list should be published on the fifth day after the first list is published for the rest of the admissions. Students of this second selection list should also be given three days to pay the fee. The third selection list should be published within five days after the secondary list is published. Students should also be given three days to pay the fee. If required, the additional list of the selected candidates must be published no later than five days after the third list is published. No students shall be admitted if his/her name does not figure in the four lists published.

In each selected list, students must enter the total marks and percentage obtained in the PUC or equivalent examination. Only particular subject marks should not be taken into consideration. When each list is published, the total marks and percentage (cut of points) for the final admission in the various categories should be published in the notice board. Final selection list and lists of enrolled students must be sent to the Regional Joint Director's Office upon the completion of the admissions process for confirmation. The fee structure of the college must be displayed on the notice board. Receipt should be given for the fee taken.
