Mentorship Report

Mentorship Programme has already been functional in the college aims to empower the students to continue with their studies without any psychological constraint.

At the commencement of the academic year, mentors were assigned 29 to 30 students.

Mentorship Meet

Though mentors are required to meet once a month for an hour's duration as per the assigned schedule, they could adjust the frequency based on the needs of mentees. The mentorship programme continued through WhatsApp group during COVID-19 situation.

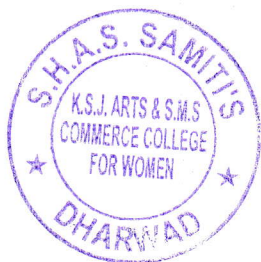

The main problems discussed in the mentorship and addressed are as follows.

Mentoring of B. Com. Students

Sl. No	Problems Identified	Problems Solved
1	During online classes students not possessing mobile phone found difficulty in attending online classes	Convinced the parents to provide the mobile phones during the online class
2	Due to financial problem of the family one student was in difficulty in purchasing note books	Provided ledger books to write the notes
3	Net work problem and Electricity problem particularly in villages caused inconvenience to attend the classes	Arranged classes at the time convenient to the students
4	Few students expressed difficulty in writing Computer subject internal test	Suggested to attend the remedial classes
5.	Revision classes for repeaters in Business Statistics	Conducted Remedial classes for repeaters in Business Statistics subject

6	One student who got married during the degree course did not find sufficient time to study	Provided Lecture notes and solved question paper to help her
7	Due to family problem student remained absent for the class test	Advised to focus on the study and overcome the problem
8	Health issues	Gave health tips and arranged health awareness programmes for all students

The mentorship system has benefitted students to build a healthy relationship with peers, faculty and institution. The mentor acted as a guide, mother and friend for the students. This has helped them to overcome problems and improved their regular attendance and also the performance in the examinations.

Mentorship Report

Mentorship Programme has already been functional in the college aims to empower the students to continue with their studies without any psychological constraint.

At the commencement of the academic year, mentors were assigned 29 to 30 students.

Mentorship Meet

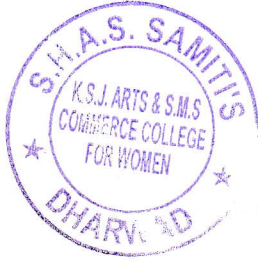

Though mentors are required to meet once a month for an hour's duration as per the assigned schedule, they could adjust the frequency based on the needs of mentees. The mentorship programme continued through WhatsApp group during COVID-19 situation.

The main problems discussed in the mentorship and addressed are as follows.

Mentoring of B. A. students

Sl. No	Problems Identified	Problems Solved
1	Lack of concentration due to family problems	Counseled and gave some strategies to balance the family and studies. Advised to practice Yoga and Meditation
2	Kannada medium B. A. 3 rd Sem. students found difficulty in understanding Computer subject	Extra classes conducted for revision
3	Due to Bus timing problem, students coming from villages were late to the first class	Portion covered by conducting extra classes
4	Health Problems	Arranged programmes on health and nutritional diet, yoga etc.
5	Exam fear	Discussed with the students about study techniques memorizing skills to build confidence and overcome the exam fear

The mentorship system has benefitted students to build a healthy relationship with peers, faculty and institution. The mentor acted as a guide, mother and friend for the students. This has helped them to overcome problems and improved their regular attendance and also the performance in the examinations.
