Report of the One Day Workshop on Entrepreneurship Awareness

20/02/2020

The One Day Inter Collegiate workshop on Entrepreneurship Awareness was organized on 20/02/2020 at 11.00 am at the function Hall. The Resource Person was our Proud Alumni Mrs. Roopa Hongal(Annigeri) who is running the Roopa Beauty Parlour successfully since 25years at Dharwad City. The Aim of this program is to motivate and create awareness about self employment among girls. As we felt that today's girls are concentrating more on looks and style, we, with the hope of creating awareness to not only the inner beauty but also focus on the external appearance of the girls which can make them more confident.

In her Inaugural address, Mrs Roopa, the Resource person said that no doubt our looks are important but our character is also equally important. It enhances our personality so well that we can be successful where ever we go.

In the first session, she explained the traits of our personality highlighting on beauty concepts. In the Second Session, she explained the way of doing light self make up, quick hair style, selection of dress or sari and the way of wearing it that enhances our personality. In the Last session she explained that all this external make-up, hair style and draping of the sari will suit only if you have good physique and health, which is possible only through Yoga and Good diet.

Students opined that the workshop was really very useful as the resource person explained the behavior, dressing style and our personality which contributes to our life very much. Students from colleges of Dharwad city and our students participated and made the workshop successful.
