F.No. 9-10/2018(CPP-II)

23<sup>rd</sup> March, 2018

To,

The Vice-Chancellors/Directors/Principals of all universities/institutes/colleges.

**Sub.: Consideration of starting an elective course related to Swachcha Bharat Abhiyan activities under Choice Based Credit System (CBCS) from the forthcoming summer session.**

Sir/Madam,

The University Grants Commission in its 530<sup>th</sup> meeting held on 20.03.2018 has approved to provide two credits like any other 'Elective' under Choice Based Credit System (CBCS) to students in Higher Educational Institutions undertaking 15 days (100 hours) Summer Internships under Swachcha Bharat Abhiyan Activities.

In this summer internship, it is expected that the students will not only participate in the overall cleanliness in the villages/slums but would also help in setting up systems for sustaining cleanliness / sanitation efforts under Swachcha Bharat Abhiyan. These efforts are expected to provide a great learning experience in Indian context to the students across the Country and would help in improving the overall quality of education.

Accordingly, you are requested to consider providing an "elective course" under CBCS with two credits for 15 days (100 hours) Summer Internship under Swachcha Bharat Abhiyan activities in your university and its affiliated colleges, as applicable.

It is informed that UGC guidelines for Swachcha Bharat - Swastha Bharat Scheme have enabling provisions for the universities and colleges to collaborate and to come out with ways to make the Swachcha Mission possible.

You are requested to consider implementation of this elective course from the forthcoming summer session and give wide publicity among the students so that vast majority of the students opt for this elective course.

Further updates in this matter would be notified on the UGC website from time to time.

Yours sincerely,
