6.2.1 The institutional Strategic/ Perspective plan is effectively deployed

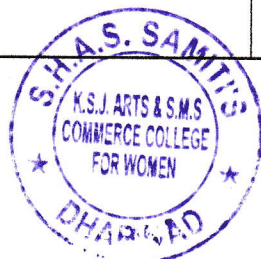

Our college has a perspective institutional plan for quality education. College plans strategically activities and executes them in a planned manner. The activities are decentralized at different levels as departmental, administrative, financial and academic. The strategic plans are prepared with the consent of faculties at the departmental level. The academic strategic plans are prepared before commencement of academic year. IQAC established in 2005 which has put its utmost efforts for overall growth by way augmentation of infrastructural facilities and enhancement learning resources from time to time
