On

A special lecture and Demo on 'Use of Electronic Lectern' in teaching on 14-09-2016

Brief Report

Resource Person: Shri Shaphi, Radiantech India, Keshwapur, Hubballi

Number of faculty members attended:

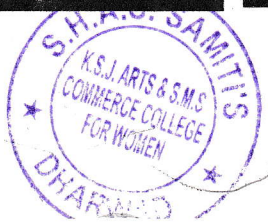

Description:

A special lecture and demo was given on use Electronic Lectern / Digital podium which is very useful teaching and presentation tool for teachers to deliver quality content. Using Electronic Lectern / Digital podium, faculty can record their lectures and presentation. Podium integrated with projector helps in projecting multimedia, video clips, audio clips, audio files and other computer files onto the screen, ongoing session or lecture can be conducted and recorded digitally. Electronic lectern has LED reading lamp and cordless mike and apart from class room it can be used in Auditorium and Seminar hall.

Trainer Shaphi giving instructions on how to use electronic lectern
