As we know Agriculture is the backbone of human's living. To make the students understand about the importance, current issues, trends and developments in the field of agriculture; Department of Economics had planned a field visit to Krishi Mela on 11-09-2023 organised at Agriculture University, Dharwad. In this occasion Students got to see an exhibition of animals, fisheries and other livestock. They got to know about the different varieties and species of animal husbandry. The organic farming stalls provided knowledge of sustainable agriculture. Students visited the exhibition of Fruits and Flowers. There, a different variety of flowers, fruits and an art of Bonsai mesmerised the students. The exhibition of Insects was an eye on the cake. Students got to know the importance of even a tiny living being to the ecosystem. The stalls of different machineries introduced us to the importance of a technology in agriculture. To make this field visit a creative learning, students were divided into 11 groups of five students each in a group and assigned a topic to collect and observe in particular. As per that, students were encouraged to do project work later. Overall, the visit was useful to the students to know the reality of agriculture. They came to know about the Diversification in agriculture, use of Biodiversity in Agriculture and modern technological benefits to farmers and many more. 56 Students were participated in the field visit.
